

**IDAHO BOARD OF SCALING PRACTICES  
LOG SCALING WORKSHOP  
APRIL 11-12, 2024**

The Idaho Board of Scaling Practices will conduct a **Log Scaling Workshop** on **April 11 & 12, 2024**, in the Wolf Lodge room at the Idaho Department of lands office located at 3284 W. Industrial Loop, Coeur d'Alene, ID 83814.

The workshop is open to individuals wishing to apply for certification as an Idaho licensed log scaler, in compliance with provisions of Idaho log scaling laws. The purpose of this workshop is to help new applicants familiarize themselves to the exam process and provide some additional training and instruction prior to taking the licensing exam on April 25-26, 2024.

The workshop begins at 9:00 am, Thursday April 11<sup>th</sup> with a PowerPoint presentation and classroom instruction on Idaho log scaling rules and procedures. The afternoon will conclude with the trainees taking the written portion of the Idaho Log Scaler examination. Friday, April 12, will be a field day at NorthWest Transfers Chilco log yard where approximately sixty test logs will be pre-numbered and ready for individual scaling. The test logs will be reviewed in the log yard following the individual scaling. Instruction for the scaling workshop will be based on current "Board" rules and the Idaho Log Scaling Manual.

**ALL PERSONS PLANNING TO ATTEND THIS WORKSHOP SHOULD PRE-REGISTER WITH THE BOARD'S OFFICE.**

**REGISTRATION:** Bring your completed Application form and the \$25 exam fee with you or mail it to our office prior to the workshop. Please contact us no later than Friday March 29th, to allow ample time for processing.

**A COMPLETED APPLICATION FORM AND \$25 FEE ARE REQUIRED FOR THE APRIL 25, 2024, IDAHO LOG SCALER LICENSING EXAM.**

**SCALING EQUIPMENT:** For the written exam you are allowed to use a Coconino Scribner decimal "C" scalestick, log volume card, and/or a simple calculator (no "scale recording devices"). For the actual log scaling you will need to bring a hardhat, safety vest and provide the appropriate tools – scalestick, length tape, hand tape, hatchet or spud, calipers, etc. You may also use the Idaho Log Scaling Manual, other reference material, calculator, etc. Scale data is determined and recorded on forms that we will provide at the testing site.

<b>CONTACT US:</b>	<b>Idaho Board of Scaling Practices</b>	<b>Phone: (208) 769-1445</b>
	<b>3284 W. Industrial Loop</b>	<b>Fax: (208) 769-1524</b>
